Response to Amendment

The following is in response to the amendment filed on November 28, 2006.

Allowable Subject Matter

Claims 1-9 and 15-18 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest a dewatering system in a paper machine comprising the combination of a web, a belt press, a vacuum roll, a dewatering fabric with a woven permeable fabric and a polymeric layer having openings connected thereto, and another fabric, arranged so that at least the vacuum roll contacts a side of the dewatering fabric, the dewatering fabric carries the web, the other fabric has a side in contact with the web, and pressure is applied by the belt press to side of the other fabric not in contact with the web.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
